## Pastoral Ponderings

### **Walk as He Walked**

“He who says he abides in Him ought himself also to walk just as He walked” (1 Jn. 2:6).

### **Thanks Again!**

Confidence in God is one of the top priorities in a Christian's life. According to Heb. 11:6, “But without faith it is impossible to please Him, for he who comes to God must believe that He is, and that He is a rewarder of those who diligently seek Him.” Genuine faith is more than belief in the existence of God; it is believing that God is who He has said He is and relying on Him. It includes diligently seeking an intimate personal relationship with Him, knowing that God rewards us when we do. A basic element of faith is recognizing that we are sinners and deserve to be eternally separated from God and relying on Jesus to save us because He died on the cross to pay the penalty for our sins and rose again so that we can walk in newness of life. But we do not only have faith at the beginning of the Christian life; we should be exercising confidence in God each and every day. Genuine faith results in obedience (or faith without works is dead). Faith grows the more time we spend in the Word of God and in prayer.
